---

Gary,

As we discussed on the phone we are approved to perform all actions necessary to complete the Removal Action activities. Attached are the weekly updates. By the end of next week we hope to have completed the removal of liquids and sludge from Tanks 12 and 30 and the disposal of waste in the bottom of tank 21, which would put us ahead of schedule.

Stephen Halasz  
Program Manager

This Email message contained an attachment named  
image001.jpg  
which may be a computer program. This attached computer program could  
contain a computer virus which could cause harm to EPA's computers,  
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced  
into the EPA network. EPA is deleting all computer program attachments  
sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you  
should contact the sender and request that they rename the file name  
extension and resend the Email with the renamed attachment. After  
receiving the revised Email, containing the renamed attachment, you can  
rename the file extension to its correct name.

For further information, please contact the EPA Call Center at  
(866) 411-4EPA (4372). The TDD number is (866) 489-4900.
